

Legislative Resolution Draft 10-12-2020

WHEREAS, OPPD's vision is to lead the way we power the future.

WHEREAS, OPPD's mission is to provide affordable, reliable, and environmentally sensitive energy services to our customers.

WHEREAS, OPPD's values are: We have a PASSION to serve – We HONOR our community – We CARE about each other.

WHEREAS, OPPD Board uses Strategic Directives (SDs) and Board Linkages (BLs) to set direction and guide management's actions.

NOW, THEREFORE, BE IT RESOLVED with reference to the 107th session of the Nebraska Legislature and the 117th U.S. Congress and related regulatory actions, that:

- OPPD supports the most economically efficient means for reducing Greenhouse Gas (GHG) emissions from an economy-wide perspective and supports actions to address the climate crisis while protecting system reliability, rather than requiring the use of any particular type of generation.
- OPPD supports net metering legislation for customer owned renewable energy generation that is installed safely for customers and utility workers and equitably compensates the customer and utility.
- OPPD supports federal and state initiatives at both the distributed and utility scale for renewable energy development, energy efficiency, market adoption for electric vehicles and charging stations, and storage technologies.
- OPPD supports the expansion of access to fiber-optic (or high speed) broadband internet service for all Nebraskans.
