Information for electrical contractors, architects and consulting engineers

February 2013

Metro Area Electrical Service Designer (ESD) Territory Changes

Effective February 18th, service territories for several metro-area Electrical Service Designers will be changed. Attached is a copy of the updated territory map, along with telephone numbers for the ESDs and Service Centers.

For updated contact information, go to www.oppd.com. Click on the Contractor & Developer tab then go to the Customer Service section and click on Electrical Service Designers.

We value your partnership in providing electrical service to our customer owners. We also welcome your feedback. Email us at Contactor@oppd.com.
