

Circuit 74 Power Quality Improvement Project

Project Description:

OPPD is committed to delivering affordable and reliable power to our customer owners. Over the next several months, OPPD and our contractors will be surveying the area, trimming trees and replacing aging infrastructure to reduce the number of momentary outages.

This power quality improvement project will include a rebuild and replacement of poles and wires in your neighborhood.

Barring any weather and unavoidable delays. This project will be completed by the end of 2024.

Crews and vehicles may be marked with their company logos.

N. 29th St to N. 49 St between Decatur St to Pratt St.

Project Start Date: May 2024

The orange line indicates infrastructure to be replaced.
