

Professional Engineer Closure Construction Certification

I hereby certify that the closure of the Coal Combustion Residual Monofill as part of the construction project at the North Omaha Station located at 7475 John J Pershing Drive in Omaha, Nebraska was constructed in accordance with 40 CFR 257.102(d)(3)(i)(A) through (D). This certification is being provided as a requirement of 40 CFR 257.102(f)(3). I am a duly licensed Professional Engineer under the laws of the State of Nebraska.
